Mr. Azeem Iqbal Pirani

Mr .Azeem Pirani is the Group Executive- Operations & Technology at EFU Life Assurance Limited. Prior to this, he served as Chief Executive Officer of Pak-Qatar Family Takaful, bringing extensive experience across insurance, takaful, financial services and business leadership.

Beyond the corporate world, Azeem is deeply committed to contributing to a more inclusive and purposeful society. He is one of the founding trustees of Ihsaas Trust, which focuses on microfinance, sustainable livelihoods for economically challenged communities and social support. He also serves as an independent director at QistBazaar, contributing to the growth of accessible and innovative financial solutions.

Azeem holds a Post Graduate Diploma in Islamic Banking & Finance from the Centre of Islamic Economics, an MBA in International Business from the University of New Brunswick, Canada, and a BBA in Finance from the University of Houston, USA. He is also a Certified Director under the SECP's Listed Companies Regulations.

Beyond the boardroom, Azeem is a home-educating father and a strong believer in the power of education, purpose and values in shaping the next generation. His professional and personal interests are united by a broader aspiration: to contribute towards building a more purposeful, empowered and successful Pakistan.
