Faisal Khan

Chief Executive Officer, IGI General Insurance Ltd

Mr. Faisal Khan is the Chief Executive Officer of IGI General Insurance Ltd., appointed with effect from 16 February 2024. With over 20 years of experience within the Packages Group, he has held various leadership roles at IGI, including Head of Underwriting, Reinsurance and Risk Management. He holds a Bachelor of Engineering in Civil Engineering and is a member of the Chartered Insurance Institute, UK. He played a pivotal role in transforming IGI General from a captive insurer into a market-oriented non-life insurance business, establishing its Risk Management Function and developing partnerships with leading international reinsurers and insurance networks. He has also contributed to the insurance industry through his involvement with the Insurance Association of Pakistan, including serving on its Executive Committee and chairing its Property (Technical) Committee.
